

BRICS

RESEARCH FORUM

BRICS POSTGRADUATE FORUM AUG 2023

CALL FOR SUBMISSIONS

This call is open to **Masters and PhD** students. The BRICS Research Forum aims to develop the capacity of postgraduate students to research the BRICS countries while exploring the theme of "Building Resilience in the BRICS Countries and Beyond: Challenges and Opportunities for Sustainable Development."

The program aims to foster interdisciplinary research, promote academic excellence, and encourage sustainable solutions to global challenges. Ultimately, it seeks to create a community of scholars who can shape the future of the BRICS countries and contribute to global sustainable development.

IMPORTANT DATES

30 April 2023

Deadline for abstract submission of max 250 words

12 May 2023

Abstract feedback after peer review by senior researchers

31 July 2023

Deadline for full paper submission
